About Ocean Village

Standing proud at the edge of the sea and overlooking the Bay of Gibraltar, a prestigious marina at its feet, Ocean Village is one of Gibraltar's prime locations. Set at the heart of the city's restaurants and bars, with a five star floating hotel in the form of the Sunborn Hotel and boasting two casinos, mini- supermarket and other retail facilities alongside facilities for yacht owners, Ocean Villages draws visitors and residents from all over the world. A combination of modern design and its distinctive blue glass-clad towers makes Ocean Village a distinguished and prestigious location for city apartment living.
